Dated 23d March 1896

No 129

I has the honor to state that in the District Funds Budget of the Shimoga Circle for the current official year the provision made for the construction of masonry bridges and tunnels on Koppa Tirthalli road is Rupees 4000/-. This amount is considered in-sufficient to meet the charges of the current official year as the bridges that have been started cannot now be stopped with advantage. There is a provision of Rs 2000/- for completing the Tirthalli Aukical

road for which an estimate was submitted but not yet sanctioned. As it is not likely that this work will be started this year and as additional appropriation for the bridge work is necessary I request that if the Deputy Commissioner approves he will be so good as to obtain sanction of Government for the transfer of appropriation as noted in the accompanying Reappropriation Statement. There will of course be a corresponding saving in the provision made for the work in next year's Budget which can be utilized for the Kudiel road next year.

I/c B. Venkatachar
Executive Engineer
Shimoga Division
